

## Emergency Response

---

soswatch provides a medical alert and 24/7 emergency response solution for Australian families. We are proud to provide the best service at the most competitive price. If you are looking for peace of mind and instant response in the event of an emergency, soswatch is here to help.

## NDIS Approved

---

At soswatch, we are proud NDIS Providers. For more information or to make a claim, please give our office a call or visit our website.

Registered NDIS Provider

## Reviews

---

**“My family keeps calling me on the SOS Watch to make sure I am well. The watch menu is easy to understand and very simple to use. The magnetic charger makes it very easy for me to charge the watch at night.” - Michael**

---

**“For my husband who lives with a disability, it means he can live more independently, whilst I can have peace of mind if I’m not at home or if he is out. I recommend the SOS Watch to all of my friends.” - Kim**

## Emergency Response

Peace of mind is priceless.  
soswatch makes it affordable

## SOS Watch

---

The SOS Watch is the #1 Medical Alarm of its kind. Using the latest technology, the watch provides not only 24/7 Emergency Response, but also several health applications such as a pedometer and heart rate monitor.

With the battery lasting up to 72 hours, daily charging is not necessary. The SOS Watch is perfect for anyone who still lives an active lifestyle, though wants to make sure they are safe in the event of an emergency.
